DURASEAL™ Business Envelopes

Stock and Custom Envelopes for All Your Mailing Needs

Secure, Stylish, or Simple Envelopes for All Your Mailing Needs

Whether you need a secure envelope that delivers maximum protection for confidential documents, something stylish that will make your mail piece stand out, a simple, standard envelope for everyday business mailings, or maybe even an envelope that does it all; Relyco has the right envelope for you.

Relyco carries a complete line of high quality, professional DURASEAL envelopes specially designed to protect the information you are mailing out. By using a unique window placement, our security envelopes protect the information that you don't want others to see while allowing the address to be fully visible – setting a new standard for secure business mailings. With every imaginable size and style envelope, you are sure to find the right one. If we don't have what you are looking for, we can create a custom envelope that is perfectly suited to your specific business application.

“Relyco has the right envelope for you...”

DURASEAL Secure Check Envelopes

Our high security check envelopes are specially designed with check security in mind. Unlike standard #9 and #10 window envelopes, our check security envelopes protect your critical bank routing and account information with the use of an inside security tint and unique window positioning. Our check envelopes are always in stock and ready to ship.

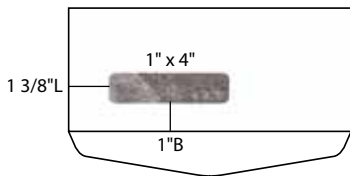

DURASEAL Check Envelopes Feature:

- Unique windows positioned slightly higher to conceal confidential bank account information
- Inside security tint to protect your documents from unauthorized readers
- Full gum flap for a complete, secure seal
- Special design for optimum machine inserting
- #10 single window and #10 double window reverse flap security envelopes, ideal for machine inserting when the mailing address is located on the bottom of the document
- Imprinting in up to four colors on the front and/or the flap

DURASEAL Stylish Custom Printed Envelopes

Whether you are simply looking to put your logo or address on your business envelope or want to differentiate your mail piece by delivering with style, our custom envelopes offer unlimited design flexibility and security options to deliver a piece that not only looks great, but protects your document. We carry tons of envelope sizes and styles for virtually any application and are always ready to assist you in the creation your custom envelope.

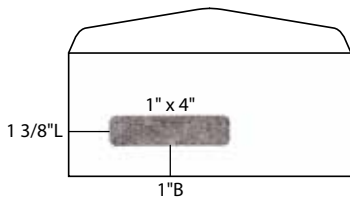

DURASEAL Custom Envelopes Feature:

- Standard and custom window locations and sizes
- Custom imprinting in up to four colors on front, back, & flap
- Custom security tint available for security envelopes
- Machine insertable envelopes
- Standard gummed flap, latex, self-seal, clasp, string, and custom closures available
- Union labels available
- All envelope sizes, constructions, and materials available for your application

DURASEAL Simple Everyday Business Envelopes

Our standard business envelopes are the perfect solution to meet your basic day-to-day mailing needs. Available in # 9 envelope and # 10 envelope sizes, our business envelopes are always in-stock and ready for immediate shipment.

DURASEAL Business Envelopes Feature:

- Standard #9 and #10 sized envelopes designed for optimum machine inserting
- Optional inside security tint to prevent unauthorized reading
- Additional stock & custom business envelope sizes and layouts available
