

Temporary License Plate Templates

REVLAR is your best choice for temporary plates

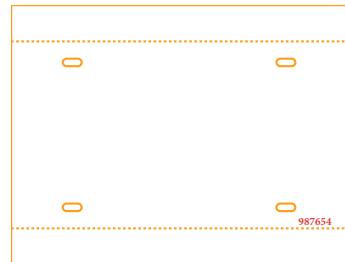

We have several templates available:

Don't see a layout for your temporary plate needs? We can create a custom plate for you!

With plates made from REVLAR synthetic paper, you have all these options:

- Available thicknesses include:
 - 3.7 mil (125 gsm), 4.7 mil (155 gsm), 5.7 mil (198 gsm), 7.7 mil (258 gsm), 10.7 mil (368 gsm), 13.7 mil (510 gsm)
- Stock sheet size is 8.5" x 11"
- Options for cars, motorcycles, trailers, watercraft & recreational vehicles
- We offer pre-printed control numbers for added security, see example →
