

# REVLAR® Floor Decals

*REVLAR Floor Decals allow you to incorporate your own designs and DIY floor signage with peace of mind. Use these decals to print your own floor graphics to encourage social distancing or communicate any message.*

## How are Floor Decals used?

### Print your own

- Directional signage
- Social distancing reminders
- Sale announcements
- Welcome back signage
- Instructions
- Brand graphics

### Specifications of printable floor label

- Standard size: 11" x 17" sheet
- Thickness of label: 3 mil
- Thickness of label & liner: 7.6 mil (248 gsm)
- Melting point: 400+° Fahrenheit
- PET white removable label
- Label can be applied at 40+° Fahrenheit
- Once applied, adhesive will hold from -25° to 135° Fahrenheit
- Printer compatibility - laser printers, UV inkjet and offset printers

### Specifications of overlamine

- Thickness of label: 4 mil
- Polyolefin clear permanent label
- Non-printable

### 2 Part Floor Decal Kit Includes:

- Blank white laser printable floor label
- Clear overlamine sheet

### Features & benefits

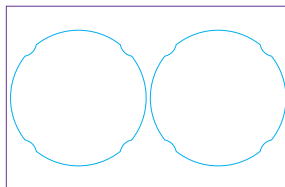

- **Removable** - special adhesive binds to floor, but can be removed
- **Stays put** - decals will adhere to various smooth surfaces, such as vinyl, wood, synthetic wood, carpet, ceramic tile or concrete
- **Non-slip** - OSHA compliant, UL 410 certification
- **Free templates** - design & print your own message or graphic on the white label
- **Easy two step process** - apply printed white label to floor, then apply clear overlamine sheet on top
- **One final piece** - overlamine has a permanent adhesive to ensure that it will not come off the printed white label once joined, the entire piece can remove cleanly from the floor

### Available in three unique shapes and sizes:

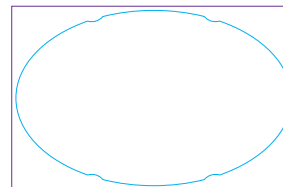

Circle - 8.125" x 8.125"

Oval - 10.5" x 16.5"

Rectangle - 10.5" x 16.6"

2 per sheet

1 per sheet

1 per sheet
